

Welcome to the Summer Spectrum 2005 catalog!

This catalog is crammed full of offerings from Bloomington Public Schools' Community Education, the City of Bloomington Parks and Recreation Division and the Bloomington Art Center for youth in preschool through 9th grade.

To make your summer planning easier, this catalog is designed in 4 sections:

- **Section 1: Summer Spectrum (pages 2-28)**- Information about the collaborative classes offered by Community Education, Parks and Recreation and the Bloomington Art Center, which are located at Oak Grove Elementary. Details include how to register for classes, free bus transportation, class schedules and descriptions, and registration forms.

- **Section 2: Bloomington Public Schools' Programs (pages 29-38)**- Information about the summer programs offered by Community Education including Spectrum Care, Kids' SAFARI, GRASP, Galaxy Youth Center, Musical Avenues, and the Indoor Aquatics programs. Be sure to check out the registration procedures as they vary from program to program.

- **Section 3: Parks and Recreation Programs (pages 39-44)**- From Camp Kota to outdoor swimming lessons, in this section you can find information on some of your summer favorites! There is one registration form (pages 43-44) for all summer programs offered by Parks and Recreation. Check out information on Tiny Tots, Arts in the Parks, Adaptive Recreation, Bloomington Family Aquatic Center, Bush Lake Beach and more!

- **Section 4: Bloomington Art Center Programs (pages 45-48)**- A listing of the camps offered by the Bloomington Art Center, located at the new location of the Bloomington Center for the Arts! Check out this section for camp descriptions, schedules and information on how to get registered.

Summer Spectrum Registration Information

Same location as 2004

Super Sign-Up Saturday **Saturday, April 16, 9:00-11:00 a.m.** **Bloomington Civic Plaza, 1800 West Old Shakopee Road**

Same location as 2004

Families have an opportunity to plan their child's summer schedule with the staff of Summer Spectrum, Bloomington Schools, Parks and Recreation, and Bloomington Art Center. Registrations mailed in before April 16 will be added to class lists beginning April 20 after the in-person registrations have been processed.

- **Super Sign-Up Saturday will be held at Bloomington Civic Plaza, 1800 West Old Shakopee Road, on Saturday, April 16, From 9 – 11 a.m.**
- Park in the west lot and use the northwest entrance to enter the building.
- Registration begins at 9 a.m. Numbers will be issued on a first come, first served basis.
- Please have your registration forms thoroughly completed, including alternate class choices. Although we make every attempt to fill first choices, it is important to have discussed alternate class choices with your child in case your first choice is no longer available. Important – Register for the grade your child will enter in the fall of 2005.
- In the past, we have had a tremendous response to our in-person registration day. Please allow plenty of time for this process.
- See the Spectrum's Web site at www.ci.bloomington.mn.us, keyword "spectrum", for a complete list of guidelines for registration.
- For Summer Spectrum registration information after Super Sign-Up Saturday, see page 3.
- Following the Super Sign Up on Saturday, April 16, each organization will have specific registration procedures. Refer to the information on pages 29-48 in this catalog for individual programs' registration procedures.

Same location
as 2004

Class cancellations due to lack of enrollment will begin May 16. Limited class openings may be available after this date. To check on class enrollment status, go to www.ci.bloomington.mn.us

Summer Spectrum Volunteer Program

Super Sign-Up Saturday Volunteers

We need parent volunteers to help out at the Super Sign-Up. If you are interested, please call Greg at 952-563-8899, or e-mail spectrum@ci.bloomington.mn.us. You will need to be able to work from 8 a.m. to around 11:30 a.m. Volunteers will register their children first. (Call Greg for details.)

Teen Volunteer Program:

Summer Spectrum is looking for teens who have completed 8th grade, have a strong desire to assist instructors in classrooms and want to be a part of a great volunteer team. Teens must be able to volunteer for a week at a time and will assist with a variety of pre-assigned duties in Summer Spectrum Classes. Applications must be received by May 20th. For more information and an application, call J.P. at 952-681-5506 or e-mail jsaccoma@bloomington.k12.mn.us.

Adult Classroom Volunteers:

Do you have a special talent or skill that you would like to share with the youth of Bloomington? Do you have a desire to be a part of the great volunteer team at Summer Spectrum? If you are interested, or would like to find out more information, please call Wendy at 952-681-6129 or e-mail spectrum@ci.bloomington.mn.us.

Bloomington Public ISD 271 and the City of Bloomington are Affirmative Action/Equal Opportunity educators and employers. Persons with disabilities may be provided with accommodations upon request. This document is available upon request in alternative formats. Please call 952-563-8899, TTY 952-563-8740 or e-mail gboatman@ci.bloomington.mn.us.

Summer Spectrum Bus Transportation

In order to utilize our resources in a cost-effective manner, we have modified the 2005 Summer Spectrum bus routes. The 2005 Summer Spectrum Program will continue to provide FREE bus transportation from neighborhoods to Oak Grove Elementary (OGE).

We recommend that students be at the designated stop AT LEAST 5 minutes before the times indicated. Buses will arrive at Oak Grove Elementary at 9:25 a.m. and depart Oak Grove Elementary by 12:40 p.m.

1. Find the area in which you live from the routes listed. **NOTE THE COLOR-** it will be displayed in the bus window.
2. Locate the stop closest to your home.
3. On the Summer Spectrum registration form in the Transportation section, indicate the Bus Code and Bus Color for the pick-up and drop-off location.

If you have difficulty determining which stop is closest to your home, call 952-681-6300 for assistance.

1. Summer Spectrum routes have been established in advance and new stops CANNOT be added.
2. Summer Spectrum transportation registration ends May 20, 2005.
3. Times listed are pick-up times. For return times, reverse the routes.
4. Please be patient and expect delays on the first day of each session.

PLEASE NOTE:

- Summer Spectrum Child Care will not operate between 9:30 a.m. and 12:30 p.m. Students must be enrolled in and attending a Summer Spectrum class from 9:30 a.m. to 12:30 p.m.
- Students cannot be enrolled in Summer Spectrum classes and Kids' SAFARI full-day care at the elementary sites during the same week. *Children who are attending Summer Spectrum classes and need care before and/or after their classes must enroll in Summer Spectrum Care.*
- Registrations must be received by May 2.

KIDS' SAFARI—Summer SAFARI

For students NOT enrolled in Summer Spectrum classes:

Summer SAFARI is a full-day school-age child care program for youth entering grades Kindergarten through sixth. The philosophy of Kids' SAFARI is to lead children to discover friendship, independence, and confidence through art, music, sports, drama, services and recreational activities. The staff and program facilitate a warm and secure environment for channeling children's energies and meeting their individual needs.

Dates: Tuesday, June 14 – Wednesday, August 17 (closed Monday, July 4)

Locations: Normandale Hills, Olson Elementary, Valley View Elementary, and Washburn

Hours: 6:30 a.m. to 6 p.m.

Cost: \$28 per day

To register: Families needing care from 6:30 a.m. to 6 p.m. must complete the Kids' SAFARI registration forms. Registration information and forms can be obtained from the Kids' SAFARI staff at your child's school, by calling 952-681-6108, or visiting the Community Education Campus at 2575 West 88th Street. Registration must be received by April 16 to guarantee space.

Looking for a way to keep your child's math and reading skills sharp over the summer?

Try GRASP!

GRASP is a nine week correspondence program for grades K-8 which helps students maintain reading and math skills while they are on summer vacation. Each lesson is constructed to reinforce or reteach typical basic skills generally found in most curricula at a particular grade level.

- One lesson per subject is completed each week for nine weeks.
- Each lesson should take approximately one hour per week to complete.
- Completed lessons are mailed to a scoring center in the envelopes provided. The lessons are scored, results recorded and returned to the children. Children successfully completing at least 7 lessons (70% accuracy) are awarded a certificate. Those successfully completing all 9 lessons receive a medal soon after Labor Day.
- Instruction sheets found in each packet provide all the necessary information to complete each lesson.
- Children attending Bloomington Public Schools will have materials sent home with them the last week of school. All others will be mailed the week of June 6.

The enrollment fee is \$40.00 for one subject and \$65.00 for both reading and math.
We suggest parents order the grade level just completed. If there are extenuating circumstances, order the grade level that is appropriate for your child.

Registrations must be received no later than April 16, 2005. Call Julie at 952 681-6125 for additional information. Visit our website www.bloomington.k12.mn.us/community_ed (click on youth programs and then summer) for additional registration forms or sample worksheets.

Bloomington/Richfield Swim Lessons Class Descriptions

American Red Cross Swimming Lessons

Parent & Child Aquatics (6 months to 5 years)

Developed for children 6 months to 5 years of age, American Red Cross Parent and Child Aquatics builds swimming readiness by emphasizing fun in the water. Parents and children participate in practice sessions that help children learn elementary skills, including water entry, bubble blowing, front kicking, back floating, underwater exploration and more.

Pre-School (3 to 5 years)

The Pre-School Class provides children their first pool experience without parental assistance in a safe, fun and positive learning environment. This class introduces new little swimmers to the pool. Instructors help children adapt to the pool and learn how to move independently through the water. Once children can perform basic skills without assistance, they may begin Learn-to-Swim courses.

Learn-to-Swim

The American Red Cross offers six comprehensive course levels that teach you or your child how to swim skillfully and safely. The prerequisite for each level is the successful demonstration of the skills from the preceding level, except for Level 1, which has no prerequisite.

Level 1: Introduction to Water Skills

Purpose: Helps students feel comfortable in the water.

Level 1 participants learn to: enter and exit water safely; submerge mouth, nose and eyes; exhale underwater through mouth and nose; swim on front and back using arm and leg action; float on front and back; follow basic water safety rules; and explore arm and hand movements.

Level 2: Fundamental Aquatic Skills

Purpose: Give students success with fundamental skills.

Level 2 participants learn to: enter water by stepping or jumping from the side; exit water safely by using ladder or side; submerge entire head; float on front and back, perform front and back glide, roll over from front to back, back to front; tread water using arm and leg actions; swim on front and back using combined strokes; and swim on side.

Level 3: Stroke Development

Purpose: Builds on the skills from Level 2 through additional guided practice.

Level 3 participants learn to: jump into deep water from the side; bob with the head fully submerged; use rotary breathing in horizontal position; perform front and back glide, perform survival float; change from horizontal to vertical position on front and back; and perform front and back crawl, butterfly – kick and body motion.

Level 4: Stroke Improvement

Purpose: Develops confidence in the skills and improves other aquatic skills.

Level 4 participants learn to: swim underwater; perform open turns on front and back using any stroke; tread water using sculling arm motions and kick; perform front and back crawl, breaststroke, butterfly; perform elementary backstroke; and swim on side using scissors-like kick.

Level 5: Stroke Refinement

Purpose: Provide further coordination and refinement of strokes.

Level 5 participants learn to: tread water with 2 different kicks; perform front flip turn, backstroke flip turn; perform front and back crawl; and perform butterfly, breaststroke, elementary backstroke, sidestroke.

Level 6: Swimming and Skill Proficiency

Purpose: Refines strokes so students swim them with ease, efficiency, power and smoothness over great distances.

Level 6 is designed with "menu" options that focus on: preparing students to participate in more advanced courses including Water Safety Instructor and Lifeguard Training courses. These options include: Personal Water Safety, Lifeguard readiness, and Fitness Swimming.

Adult Swim Lessons

For individuals 16 years and older who would like to learn to swim or improve their existing skills. Adults will also experience the benefits of swimming as an exercise program and the social activity.

During Swim Lesson Classes

Parent or Guardian - Children must be accompanied by an adult during lessons and need to be present in the gallery during swim lessons.

Arts in the Parks presents: Sandcastles

Come out to Bush Lake Beach on Sunday, July 10, for a day of fun in the sun with Arts in the Parks! Our annual Sandcastles event will begin at 1:00 p.m. and includes a limbo contest, sandcastle contest, and of course the annual worm race, with prizes for the winners. Music and entertainment will be provided by Will Hale and the Tadpole Parade from 2:00-2:45 p.m. So bring your beach toys and your sculpting tools and you may go home a winner!

Inclusion Services for People with Disabilities

The City of Bloomington Parks and Recreation Division actively supports and welcomes people with disabilities to participate in our recreation programs. If you or your child would like to participate in a Bloomington Parks and Recreation program and feel assistance is needed, check the box on the registration form that indicates you or your child needs support. One of our inclusion staff will contact you for more information and to establish an inclusion plan.

If you have any questions about inclusion services offered by Bloomington Parks and Recreation, please call or email **Greg Boatman, Assistant Parks and Recreation Manager at 952-563-8899 or gboatman@ci.bloomington.mn.us**

Adaptive Recreation Programs

The Adaptive Recreation services in the cities of Bloomington, Eden Prairie, Edina and Richfield offers specialized recreation programs and services specifically designed for people with disabilities. Adaptive Recreation works cooperatively with the Learning Exchange, the Community Education Adults with Disabilities programs in the school districts of Bloomington, Eden Prairie, Edina and Richfield. Together, these groups form the partnership called the Adaptive Recreation and Learning Exchange or AR&LE!

For more information on AR&LE, visit www.ci.bloomington.mn.us keyword "Adaptive Recreation" or call 952-563-8877.

American Red Cross water safety instructors teach swimming lessons to children, age 5 and older. Enrollment is limited. Each session meets weekdays during a two-week period for 9 lessons. In the event of bad weather that causes Bloomington Parks and Recreation to cancel a swim lesson, each session has a Friday reserved that will be used for a make up lesson. Instructors will ask students to demonstrate their skills on the first day of each session. We reserve the right to transfer students to a skill level best suited to their demonstrated abilities. The American Red Cross has changed the lesson program by switching the curriculum to six levels instead of seven.

GUARDSTART: LIFEGUARDING TOMORROW

This course guides youth to the American Red Cross Lifeguarding Program by building knowledge, attitudes and skills for future lifeguards. The Guardstart program teaches the skills needed for entry into a lifeguarding course – communication, decision-making and the basic responsibilities of a lifeguard. Students must be able to:

1. Continuously swim the front crawl for 25 yards while breathing to side.
2. Tread water for 1 minute.
3. Submerge and swim a distance of ten feet under water.

Ages:Grades 7-9

When:June 27-July 1

Time:10am-4pm

Where:Bush Lake Beach, 9140 E. Bush Lake Road.

Cost:\$90

Bloomington Art Center Summer 2005 Camp Descriptions

Bloomington Art Center is offering camps in multi-media, clay and theater this Summer. **Summer Clay Camps** begin the week of June 13, while **Art and Theater Camps** begin June 20. Children may register for more than one week, if desired. Camps are taught by professional artists/instructors. Class size is limited to 12 students for Pre-K, and 15 for older students. Register for the grade the child will be entering in the Fall.

The first two weeks of registration for Summer Camps are reserved for BAC members only. Priority registration will end on April 12. Non-member registrations will be processed after that date.

Art and Theater Camps meet daily for one week (M-F) unless otherwise noted.

Clay Camps for ages 6-9 meet daily for one week, ages 10-14 and 12-16 meet daily for two weeks.

HOURS:

Art and Clay Camps:

AM Camp: 10:00am-Noon

PM Camp: 1:00-3:00pm (unless otherwise noted).

Theater Camps: Times vary - see grid.

FEE:

One week Art* & Theater Camps= \$69 (\$62 Members)

***Week 3 (four days)= \$57 (\$50 Members)**

One week Clay Camps= \$79 (\$72 Members)

Two week Clay Camps= \$146 (\$132 Members)

Three week Theater Camp= \$250 (\$225 Members)

DRESS APPROPRIATELY:

Art projects can be very messy! Please send an old shirt with your child.

MATERIALS:

All materials are included in the weekly camp fee. Art camp students will be working in a variety of media: painting, clay, sculpture, drawing, found objects and more.

Each teacher will determine what materials are used and will interpret the subject matter in their own unique way.

ART CAMPS

Treasure Boxes

Learn how to construct a small box and design the images on the outside. These boxes will look professionally made! They are great to hold small trinkets, to give as gifts or display in the house.

African Mask Design

You'll design your very own amazing mask like those displayed on walls or in museums. We will study traditional African masks and then design and create our own masks using modern day materials such as: tinfoil, leather and beads. Come make a mask worth displaying on your wall at home.

Cave Art (2 Weeks)

Petroglyphs, ancient symbols and more – in this two week class you'll learn about the caves at Lascaux, France, that contain some the earliest recorded art in the world. We'll build our own "cave" out of papier mache and chicken wire and assemble it in the Black Box Theater during the second week of this class.

Under the Rocks – Bugs and Crawlers

Wonderful creatures live under the rocks – and they're great fun to "capture" in art. Using a variety of materials and methods that are age-appropriate, explore the world of bugs, worms and other creepy crawlers.

Cartooning and Illustration

Whether your main character is a cartoon ala "Snoopy" or an illustration ala "Harry Potter", you'll learn how to develop a story line and tell the story in pictures. You'll create a simple comic book or children's book to take home to read to your little brothers, sisters or cousins.

Move It!

Trains, planes, cars or boats, you'll find fun making art about things that move. Perhaps it will be a mobile, a mural or a sculpture – age-appropriate projects will fill your week with color and motion.

ART CAMPS (continued)

Imagine That! Stories and Books

Explore the world of Eric Carle and other illustrators and authors. If you've ever wanted to make a book this is the class for you! Using pictures to tell your story, you'll create a colorful story line from your own imagination ... could be about animals, people or creatures you haven't even thought of yet!

Dinosaurs to Dragons

We know that dinosaurs existed millions of years ago but in this class we'll explore both the real "saures" and imaginary ones you'll create. Your dinosaurs may be a painting, sculpture, collage or maybe even puppets!

Rhythms and Patterns

You'll "feel" the pulse of repetitive patterns as they form rhythms in drawings, paintings and mosaics. There are lots of art projects that utilize repetitive forms – especially in print-making – such as wrapping paper, cards and tiles.

Optical Illusions

Whether it's the surrealist art of Salvador Dali and Rene' Magritte or the tessellations of M.C. Escher, things are not always as they seem at first glance. You'll take ordinary objects and make them into clever projects.

Build it!

Buildings, sculptures, collages – things that are built layer upon layer – form the basis of this fun, active class. You might "build" a skyscraper of wood pieces or a house of clay – or explore how layers of paper in a collage can add that third dimension to a painting.

Journey Into Fantasy

Travel by your imagination, taking you to new places that exist only in your thoughts and dreams. From imaginary places to futuristic worlds, using a variety of media you'll create new environments, whether on paper or in three dimensions.

Garden Art

Students explore the natural world through the artwork of Georgia O'Keeffe and botanical illustrator Carl Linnaeus. Construct standing garden sculptures, floral paintings, collages and drawings. Focus on balance, design, color and texture.

Art Animals

Take a closer look at animals. Students create unique sculptures, collages and paintings based on domestic and wild animals. Focus on texture, pattern, color and details.

Cityscapes

Students look at urban architecture and landscapes for inspiration. They'll learn about space through drawings, paintings and collage. We'll construct 3-D skyscrapers from wood, found materials and paint. Focus on perspective, engineering and color relationships.

Extreme Painting with Color

Learn to paint underwater creatures, outer space galaxies, foreign lands and roller coasters! Painting on real canvas with vibrant acrylic paint will produce exciting projects for you to hang in our show on the last day of class. You will start with a pencil drawing and turn it into a masterpiece on canvas.

CLAY CAMPS

Creations in Clay

Instead of painting pictures, imagine taking a hunk of clay and making a work of art in three dimensions. You'll make pinch pots, sculptural animals, tiles, bowls, environments, block houses or learn how clay was used in ancient cultures. Every week is different and projects are age-appropriate. No previous experience required!

THEATER CAMPS

Belting Out Broadway (3 Weeks)

Songs, Scenes and Dances from musicals with children. The students will also get voice and dance training!

Fun With Fairytales & Pirates, Treasure and a Parrot

Creative dramatics classes taking younger children from the world of make believe to putting it all together with movement, expression, working in an ensemble and having fun!
